CELEBRATION OF 24TH ANNUAL FUNCTION OF REMUNA DEGREE COLLEGE

Annual Day is an important event that celebrates the beginning of a new year and the bidding farewell to the previous academic year with the celebration of felicitation, feast and festivity. Almost every institution celebrates this wonderful event to showcase its achievements. On 5th Dec 2020, Remuna Degree College celebrated its 24th Annual Day Function. Every year our college celebrates this day with enthusiasm and zeal, but due to the pandemic situation this year our college celebrated it in its virtual mode on Google Meet and YouTube. Mr. Sudhansu Sekhar Parida, Honourable MLA, was the chief guest and Mr. Harish Chandra Bag, Principal, Higher Secondary School, and Mr. Pradipta Panda, former MLA, Nilagiri and President of GB, RDC were the guests of honour of this ceremony. Ms Archana Acharya, Asst. Prof. Dept. of Computer Science welcomed all the dignitaries who were present physically as well as virtually. An annual report on various issues concerning resurrecion

Miller indices
Let us take a simple orthorhombic lattice and one of its lattice plane

1. Intercepts of the plane on x, y and z axes are ax, by, cz
2. Take the intercepts in units of a, b, c i.e. $1, 1, 1$
3. Invert the intercepts taken in units of a, b, c
4. $h:k:l = 1/1 : 1/1 : 1/1 = 1:1:1$
5. The plane is indexed as (111)

Intercepts in units of a, b, c are $1, 1, \infty$
 $h:k:l = 1/1 : 1/1 : 1/\infty = 1:1:0$
The plane is indexed as (110)
