

Department of Chemistry

The Department of Chemistry was established in the year 2001 with the objective of imparting quality education in the field of Chemistry. It has started teaching Hons with 16 Hons seats in 2013-2014 academic session. Presently, the department has 48 Hons seats since 2016-2017 academic sessions.

The department has one well equipped dedicated laboratory for Chemistry practical classes by qualified instructional staff. It has a departmental library to be used for ready reference by the faculties and students.

The department is organizing seminars, remedial classes for weak students, Industrial visit, Study tour, Field trips, career counselling and personality development programmes at regular interval. The Department also facilitates a basic and comprehensive approach toward developing skills such as Phenyl making as best practices. The department encourages its students to join Sports, NSS, NCC, YRC, Rovers & Rangers and extra-curricular activities too. The department imparts quality education for better career through innovative teaching techniques continuously. It also conducts placement programme for final year students.

Academic performance of the students of the Department has been excellent. Even the students of this department have got position in University examination. Most of the students graduated from this Department have pursued higher studies in various reputed Universities in India and placed in reputed Multi-National Companies.
