About The College

Remuna Degree College stands on the out skirt of Balasore, claiming twin-town impression surrounded by industries and factories. Keeping this in view, the inceptors established this institutions in the year 1996 in between Balasore Medical College and New-campus of F.M. University to cater to the need of higher education of rural and backward class students of the district, and nearby district Mayurbhanj, having thick tribal population. Remuna is well-accessible to all kinds of learners and scholars for strays of read communication. Thus, Remuna Degree College proves as an educational hub for seekers of new opportunity to near future.

This institution grows on public effort and serves a wholistic purpose of Nation building. The campus includes multi-storeyed buildings, digital library, well furnished laboratories and lavatories, eco-friendly green garden , Savoy canteen, Ladies hostel and specious play ground. For conducive academic atmosphere there are in built air conditioned English laboratory, conference hall and well lighted class rooms. What makes it different from other institutions is its “solitariness” or Isolation from the crowd. This uniqueness is rewarded in NAAC visits in the year 2016 as B++ and assured progressive programme RUSA shortly. As a blooming bud, it grows and works in continuous process with high expectation for the fulfilment of “perfection”, the ultimate goal of education.
