

Department of Home Science

The Department of Home Science was established in the year 2001 with the objective of imparting quality education in the field of Home Science. The department has started teaching Hons with 16 seats since 2013-2014 academic session. Presently, the department has 32Hons seats since 2016-2017 academic session.

The department has one well equipped dedicated Laboratory for conducting practical classes for home science for students.

The department is organizing seminars, remedial classes for weak students, Industrial visit, Study tour, Field trips, career counselling and personality development programmes at regular interval. The department encourages its students to join Sports, NSS, NCC, YRC, Rovers & Rangers and extra-curricular activities too. The department imparts quality education for better career through innovative teaching techniques continuously. It also conducts placement programme for final year students.

Academic performance of the students of the Department has been excellent. Even the students of this department have got position in University examination. Most of the students graduated from this Department have pursued higher studies in various reputed Universities in India and placed in Govt. offices and reputed Multi-National Companies.
